

Managing Positive Children Behaviour

WHERE THE
BEST
ARE TRAINED[★]

AIC'S FACULTY DO MORE THAN 'TEACH'. THEY LISTEN, PROVOKE AND CHALLENGE

Overview

The course is targeted at preschool teachers who are handling children from 18 months to 6 years old. The focus of the workshop is to provide teachers with strategies for managing positive children behaviour in classroom.

Learning Objectives

The objectives of the course are to help participants to:

- understand the behaviour management for young children
- identify the causes of behaviour problems
- manage children's behaviour
- understand the Children's Needs (Maslow's Hierarchy of Needs)
- know the effects of environment on a child's behavior
- adopt effective strategies in managing child's behavior positively
- identify the traits of behaviours
